

Octopus's Garden #2 - Directions

GCAV4W8

Determine nine 8 letter words from the clues and fit them into the octagons. The same letter must be used in the touching adjacent octagons. All words flow clockwise in an octagon but may start anywhere. E.g. The Octagon to the NW of the center one with the H must have an H in its word in its SE segment. H and C are provided as starting hints.
